

SEUNGYEON KIM

E: ksy32ksy@gmail.com

SUMMARY

Data and programme management professional with over 8 years of experience supporting portfolio-level data management, performance monitoring, and institutional reporting in international development organizations. Experienced in consolidating, validating, and visualizing large datasets to support governance processes, donor reporting, and evidence-based discussions. Strong background in structuring data, developing standardized dashboards, and coordinating with regional teams across Asia, Latin America, and Africa.

SKILLS

- Data Analytics (R, Tableau, Power BI, ArcGISPro, Canva)
- Project Evaluation and Monitoring (M&E)
- Project Management
- Logistics & Event Coordination
- Research and Analysis
- Microsoft Office (Advanced Excel, PPT, Word)
- English (Fluent), Spanish (Fluent), Korean (Native)
- Teamworker / Collaborator

WORK EXPERIENCE

International Monetary Fund (IMF) | Fiscal Affairs Department | Tax Administration Diagnostic Assessment Tool (TADAT) Secretariat | Washington, D.C.
Coordinator, March 2025 – Present

- Enhanced TADAT databases (10+ years of assessment data) for improved reporting and research usability.
- Conducted financial, technical, and social media data analyses to prepare high-level reports (5-Year and Annual Reports) for the donor, IMF's Global Public Finance Partnership.
- Developed visual reports to support performance monitoring and results-based reporting across tax administrations.
- Managed daily operations of TADAT data systems, ensuring accuracy and data quality for internal and external use.
- Analyzed regional assessment data to identify trends and support research on global tax administration reforms.
- Administration and management of TADAT country workshops and online trainings.

Inter-American Development Bank (IADB) | INE | Transport Division (TSP) | Washington, D.C.
New Business and Operations Consultant, February 2022 – February 2025

- Consolidated and visualized portfolio-level investment data in Brazil by modality and sector to support senior management's strategic discussions and decision-making.
- Prepared technical cooperation projects focused on climate-resilience, public transit and logistics by conducting data analysis and drafting key documents such as project proposals, results matrices, and procurement plans.
- Spearheaded donor coordination and secured \$1.67M from Korea Trust Fund, managing financing and monitoring of nine technical cooperation projects across LAC.
- Administered operational budgets and expense tracking for high-profile Regional Policy Dialogues (2023-2024), coordinating logistics for 90+ senior government officials and institutional partners.

GDC Consulting, Co., Ltd. | Global Business Office | Seoul
Associate Manager, October 2018 – December 2021

- Supported national portfolio evaluations for KOICA in the Philippines, analyzing over 100 development projects and visualizing sectoral grant distributions.
- Led project-level data collection and end-of-project evaluation activities for ODA projects across Latin America, Asia, and Africa, applying established performance indicators and Results-Based Management (RBM) frameworks through survey design, fieldwork coordination, and analytical reporting.
- Managed budget and audit reporting.

National Human Resources Development Institute (Ministry of Personnel Management) | Gwacheon
Global Education Coordinator, April 2018 – June 2018

- Monitored, administered, and evaluated capacity building workshops and field visits in Korea for director-level public officers from Latin America and the Caribbean, Central and Southeast Europe, Asia, and Africa.

Organization of American States (OAS) | Department of Social Inclusion | Washington D.C.
Social Inclusion Intern, September 2017 – March 2018

- Developed a tailor-made project proposal "CONELCAMPO" for the South Korean government for the empowerment of young people affected by the armed-conflict in Colombia.
- Supported the preparation of the 4th Meeting of the Inter-American Committee on Social Development (CIDES) and Inter-American Ministerial and High-Level Meeting of Social Development in Guatemala 2019.

Catalonia Trade & Investment (Government of Catalonia, Spain) | Seoul Office | Seoul
Analyst Intern, March 2016 – August 2016

- Assisted with visit of the Catalan Cluster Mission 2018: connecting the Catalan delegation of 16 clusters with potential partners in South Korea of various sectors such as ICT, Water and Gastronomy.
- Supported the establishment of new global business strategies for Catalan public associations and private companies by analyzing client profiles, conducting market research, advising on trade regulations, establishing database of potential South Korean counterparts, and organizing consultations.

EDUCATION

Northeastern University, United States, 2024 – 2025 (Expected)

- Master of Science in Urban Informatics | School of Public Policy and Urban Affairs

Hankuk University of Foreign Studies, Republic of Korea, August 2018

- Bachelor of Economics in International Economics & Law
- Bachelor of Arts in Spanish Language & Literature (Double Major)
